

THE HONORABLE BARBARA J. ROTHSTEIN

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

KENNETH WRIGHT, on his own behalf and  
on behalf of other similarly situated persons,

Plaintiff,

v.

LYFT, INC., a Delaware corporation,

Defendant.

Case No. 2:14-cv-00421-BJR

DECLARATION OF DONALD W.  
HEYRICH IN SUPPORT OF PLAINTIFF'S  
MOTION FOR APPROVAL OF SERVICE  
AWARD AND ATTORNEYS' FEES AND  
COSTS

I, Donald W. Heyrich, declare as follows:

1. I am an attorney of record for Plaintiff Kenneth Wright and the certified class. I have personal knowledge of the matters set forth herein and if called to do so I could and would testify competently under oath. This declaration supplements the information set forth in the Declaration of Donald W. Heyrich in Support of Plaintiff's Unopposed Motion for Preliminary Approval of Class Action Settlement (Dkt. #91), and is submitted in support of Plaintiff's Motion for Approval of Service Award and Attorneys' Fees and Costs.

2. Class Counsel represented Plaintiff and the Class on a contingency-fee basis. In taking this case, my firm, along with Stutheit Kalin LLC, risked that we would never obtain any payment for the extensive time we performed on the case, as well as extensive expert costs, a potentially expensive trial, and lost opportunity costs due to the time we needed to devote to

the case. We also faced the risk of losing a jury trial and the risk that any recovery could be delayed for years by an appeal. For small law firms such as ours, these risks are significant.

3. The following chart identifies the attorneys who worked on behalf of class counsel in this case, assigns a reasonable hourly rate for each attorney, and sets forth the number of hours worked by each individual, the amount of fees for each individual, and the total fees for class counsel as a whole.

4. The applied rates are based on a variety of factors, including among others, the experience, skill and sophistication required for the types of legal services performed, and the experience, reputation and ability of the attorneys. In addition, the applied rates take into account the reasonable hourly rates applied in similar cases in the Western District of Washington. In this context, more than 8 years ago, rates for attorneys in the Western District of Washington in class action litigation were approved in a range of \$415 to \$760 per hour. *See Pelletz v. Weyerhaeuser Co.*, 592 F. Supp. 2d 1322, 1326 (W.D. Wash. 2009) (finding the prevailing rate for similarly situated attorneys in Seattle working on consumer protection class actions is \$415 to \$760 per hour). More recently, in March 2017, another judge in this district in a TCPA case applied a rate of \$725 per hour to an attorney with similar experience as the undersigned, and applied rates overall ranging from \$425 to \$725. *Joseph v. TrueBlue, Inc.*, Case No. 3:14-cv-05963-BHS (W.D. Wash.).
